Dear Council Members:

I have had the pleasure of serving as Town Solicitor for the past sixteen (16) years. It has been an enjoyable experience working with the members of the Council and the other officials of the Town.

In my opinion no community in this area of the state has made greater efforts to meet current challenges, prepare for the future of the town and yet maintain a sound financial base. You and your predecessors are to be commended for the policy direction you have set for the Town. The manager, department heads, and town employees have done an outstanding job in implementing your direction. I am proud to have played a role with all of you to make Burrillville a community of which we can be all proud.

However, at this stage in my career I can no longer continue to assume the responsibility of the position of Town Solicitor. If the Council sees fit, I would accept a position of an Assistant Solicitor. This will allow me to assist the town on projects in which I [have] been involved. I might even sit with the Council from time to time.

Again, please accept my sincere thanks for the opportunity to be a member of a group of persons dedicated to serving the Town.

Yours very truly,

Walter J. Kane
